Saturday Morning Training

A first-time (youth) delegate's perspective on Section Training

The highlights of Saturday morning at the 2005 SR-7A Conclave included training sessions on a variety of subjects, various activities, totem pole carving, visits to the Nawakwa Scouting Museum and overspending at the trading post.

Arrowmen from around Virginia learned about subjects ranging from Chapter/Lodge Relations to Publications (of course, the best session...I taught it!) to National High Adventure Programs. Section Chief Wes Parker thrilled the crowd with a detailed, hands-on presentation on the National High Adventure Bases of Philmont, Northern Tier, and Florida Sea

Base and how the Order of the Arrow plays an integral role in the operation and maintenance of these bases.

Assisted by veterans of all

three bases, Wes introduced Arrowmen to the programs, opportunities, and typical gear at the bases. Wes even brought a sailboat to showcase like those used a Florida Sea Base.

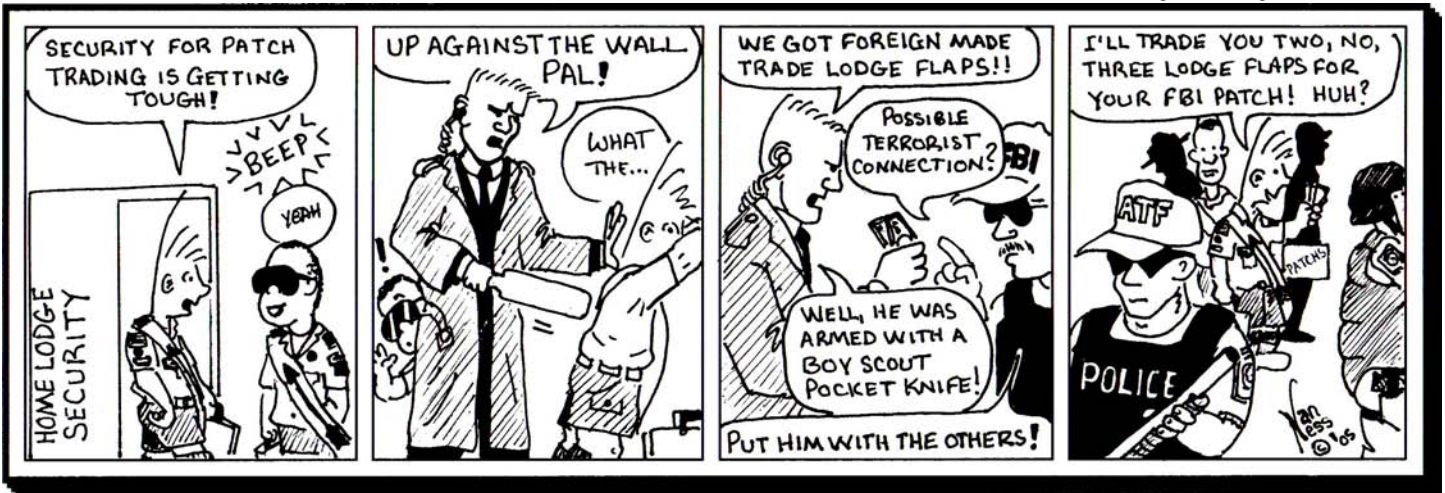

As mentioned in the Friday night issue of *Gunelendam Tepihilleu*, Wahunsenakah Lodge 333 treated the section to a series of very interesting Native American Indian Training sessions and dances. I enjoyed the morning of Conclave very much, and anticipate that I will enjoy the rest just as much. 🦋

Adult Arrowmen React To Training Opportunities

During the training sessions this morning, the *Gunelendam Tepihilleu* Staff talked to adult Arrowman about why they came to training today.

“As a chapter Advisor, I am interested in chapter-lodge relations in order to help re-invigorate our chapter” *Dick Barnes, Wahunsenakah 333*

“Networking” *Mike Spory, Shenshawpotoo 276*

“Maintaining the sense of new beginnings” *David De Jan, Nawakwa 3*

“Get my ticket punched” *Timothy Funk, Shenshawpotoo 276*

“It’s dry!” *Mack Ruffin, Nawakwa 3*

“To learn how to improve the one day program...in Nawakwa Lodge” *Frances Crutchfield, Nawakwa 3*

“I come to training because it gets Arrowmen excited about OA programs” *Bradley Long, Tutelo 161, Southern Region Chief 2005*

“As someone new to the section, I got a good feel as how SR-7A does things” *Charles Koester, Tutelo 161*

Gunelendam: to think it a long time

Tepihilleu: it answers the purpose

Thus, the loose translation of the newsletter’s name is the theme of the 2005 Section Conclave.

PLEASE RETURN OUR FLAG!!!

Some persons knocked down one of our brothers, grabbed one of our lodge flags, and ran off before we knew what happened. This flag was hand-sewn by the mother of one of our members, and we want it back. If you have this flag or know where it is, please quietly return it to a member of Tutelo Lodge, and no further action will be taken. Your fellow Arrowmen thank you!

Reminder: All competition and award organizers are to provide to the Shows Staff the winners' names and award titles of their respective events. The Shows Staff may be found at the CAC Amphitheater. This must be done by 6:30 PM TONIGHT!
